C7. Cross-Border Transfers

Some personal information may be processed or stored outside South Africa where Lesedi Smart Solutions (Pty) Ltd uses international service providers, platforms, hosting providers, communication tools, or cloud-based systems.

Where personal information is transferred outside South Africa, Lesedi Smart Solutions will take reasonable steps to ensure that appropriate safeguards are in place and that personal information remains protected in accordance with POPIA.

C8. Security Measures

Lesedi Smart Solutions (Pty) Ltd implements reasonable technical and organisational measures to protect personal information against loss, unauthorised access, misuse, disclosure, alteration, or destruction.

These measures may include:

- Secure cloud hosting and access controls
- Password protection
- Limited access to personal information by authorised personnel only
- Secure payment processing through third-party providers
- Internal data handling procedures
- Periodic review of privacy and security practices
- Supplier and service provider controls where applicable

C9. Retention and Deletion

Personal information is retained only for as long as necessary to fulfil the purpose for which it was collected, or as required by law.

Retention periods may be influenced by:

- Service delivery and contractual requirements
- Customer support needs
- Tax, accounting, and legal record-keeping obligations
- Consent and marketing preference records
- Legal claims or dispute resolution requirements

A data subject may request deletion of their personal information, subject to legal retention requirements and any lawful basis for continued processing.
